RE: Authorization of Corrections for A9 Publication

Authorization is given to publish the following original application for the purpose(s) of modifying the specified text, images or other documentation, as an A9 publication to correct publication inaccuracies and replicate the original application submission for the errors as noted below.

Patent Application Number: 09/726,136
Publication Number Reference: US20020063622A1

Projected A9 Export Date: 9/19/02
Projected Publication Date: 11/21/02

The following errors are referenced from the Amster, Rothstein & Ebenstein, et al. letter titled, "Request for Corrected Patent Application Publication" received by the Pre Grant Publication Division of the USPTO on July 24, 2002.

- 1) See attachments "Request for Corrected Patent Application" and "Pub. No.: US20020063622A1" to reference specific examples and descriptions for errors that are approved for correction and are listed below:

Reference: Attorney's Letter:

- A. "only the first two of a total of 18 drawing sheets were included therein."

2) In accordance with Page III-37 of the 29Jan02 edition of the DATA PREPARATION MANUAL FOR PRE-GRANT PUBLICATION, the A9/P9 information document will specify the contents of the "See ..." line(s) that will be published under (15) Prior Publication Data on the front page of the A9 or P9 document.

The following information is for correction of US20020063622 A1 May 30, 2002:

See Figures 3, 4, 5A, 5B, 6-9, 10A, 10B, 11-16.

3) Special note: PACR scanning shows two files labeled "Drawings." The first file contains Fig. 1 and Fig. 2. The second file contains Fig. 1 and Fig. 2 (exact duplicate of the 2 drawings in the first file) and the rest of the 16 drawings that were submitted with the original filing. Publishing contractor is made aware of this error to avoid duplicating Fig. 1 and Fig. 2 in the A9 publication.

A handwritten signature in black ink, appearing to read "Jon Lachel", is written over a horizontal line.
